

Ariel's Portfolio

On this site I will be storing/keeping track of projects for my HTML and CSS class.

[Home](#) [Projects](#) [Style Guide](#)

A Bit About Me

My name is Ariel Pinkston. I'm a full-time student working to complete my degree in Web Development.

My hobbies are painting, playing the violin, drawing, and reading.

Favorite Quote

While I have many favorite quotes, this is one from *Mohammad Nadeem Parray* stands out to me:

"While a hero is willing to sacrifice one person to save the world, a villain will sacrifice the world for one person."

My Projects

These assignments represent my work over the semester of HTML and CSS.

Projects

[Top Three Tasty Treats](#)

Enjoy these recipes, restaurants, and food I love!

[CSS Practice Page](#)

It may not be pretty, but it represents what I can do with CSS!

[Info Table](#)

This is where my art journey began and where it is today.

[Forms Practice Page](#)

This is my practice assignment for forms.

[Open Streets ICT](#)

This is my practice assignment for placing iframe Video.

[Flipcard Project](#)

In this site, I practiced making flipcards using my favorite books as examples.

[Box Model](#)

In this site, I practiced working with boxes.

[Float and Position](#)

In this site, I practiced working the Float tool.

[RWD Page](#)

In this site, I practiced Responsive Web Design.

[Navigation Exercise](#)

This is an exercise designed to test out navigation methods.

Style Guide

A page designed to layout the visual development of my site.
